"The sun will soon rise upon the world!", such is the motto of **BANZAI JAPAN**. This idol group consists of fourteen members who are all linked by their originality while coming from different parts of Japan.

Their goal? To spread the charms of Japan and their energy across the world! To do so, they **mix Japanese with Western music**, and dance with *sensu* (Japanese fans) to give **a folkloric touch** to their performances. Their choreographies are very complex, yet they always manage to carry them out perfectly thanks to their determination and dedication.

BANZAI JAPAN have been working hard to become a unique idol group and they succeeded as **they won the fourth edition of Tokyo Candoll last April**, an idol contest organized in partnership with [Japan Expo](#). And that's where they set their first European show last July, the beginning of a great adventure that will be leading them to Marseille!

Seven members from BANZAI JAPAN will be attending Japan Expo Sud all three days. **Don't miss them live, and meet them at signings or photo shoots!**

The members of the group who will attend
