Japan Expo was THE festival to catch up on the latest manga and anime releases, discover new works and meet your favorite artists!

manga to suit all tastes!

This year, more than 20 publishers and over 40 authors presented their manga at Japan Expo.

The festival was an opportunity to discover upcoming manga releases, such as *Dark Souls Redemption*, but also to complete your collection with classics available from **Glénat** or **Mangetsu**!

You could discover treasures at **Akata**, read manga by French authors at **Ankama** and take a sweet break in the Village Romance area at **Delcourt/Tonkam**!

The **Pika Éditions** stand brought with it a wide range of manga and webtoons for you to discover!
