**Tuesday 28 May, London:** ReedPop are excited to share that tickets are on sale now for MCM Comic Con X EGX – the UK’s largest pop culture event and biggest celebration of games – taking place from 25-27 October at ExCeL London.

Following a successful MCM Comic Con this past weekend, ReedPop can’t wait to welcome fans, attendees and exhibitors to its largest pop culture and gaming event to date.

This marks the first time both popular events will come together, bringing the UK’s largest pop culture and video games conventions all under one roof taking up the whole of the ExCeL’s space to give fans the best experience possible with more to do than ever before.

From Cosplay Central, Artist Alley, Writers Block, Pop Asia, Side Quest and more at MCM, to playable games, cutting-edge and retro hardware, developer panels and video game career advice at EGX, attendees will be able to dive into all this content, all included in one ticket!

The two conventions are a natural fit, due to the crossover between gaming and geek culture fandoms. This past weekend, MCM Comic Con featured gaming favourites such as the Baldur’s Gate 3, Legend of Zelda: Breath of the Wild and Sonic Frontiers voice casts, as well as a dedicated exhibition space hosted by Bandai Namco.
